Strong, Douglas	CEO, UMHHS	Director & Chief Executive Officer, University of Michigan Hospitals and Health Centers

Charge to the Human Research Coordinating Committee (HRCC)

The HRCC assesses the adequacy of the overall human research volunteer protection and compliance coverage. It reviews the adequacy of the communication and other linkages among human research compliance realms, and between each realm and the faculty, and recommends improvements. It sets priorities for attention. On a continuing basis, it reviews the adequacy of existing training and quality assurance functions and recommends improvements.

The Council is chaired by the Vice President for Research or designee. The membership consists of:

- Associate Vice President for Research - Compliance
- Associate Vice President for Research - Life Sciences
- Assistant Dean for Research Regulation Affairs, Medical School
- A representative of the UMHS Compliance Committee
- Chairs of all IRBs
- Chairs of the two UM Conflict of Interest Committees
- Chair of the Institutional Biosafety Committee (IBC)
- Biosafety Officer, OSEH
- Chair of the Subcommittee on Human Use of Radiation
- Executive Director of DRDA
- Executive Director of Audit
- A representative from the General Counsel's Office
- A representative from the Office of the Provost
- A representative from the Graduate School
- The Chief Financial Officer or designate
- An individual with professional experience in applied ethics

OVPR is the host office for HRCC and, as such, provides staff support for the Council. The HRCC is expected to meet not less than once a year. The HRCC is the general coordinating office for the development of information technology sufficient to update compliance files and to provide a dynamic linkage among compliance partners.

The HRCC has a standing subcommittee, the Clinical Research Infrastructure Task Force (CRITF).
