### Committee Composition:

The Research Faculty Award Committee will be composed of five faculty members appointed by the Vice President for Research in consultation with SACUA, RPC and the Deans of the Schools and Colleges. In making his/her choice, the Vice President will consider the entire faculty body, including Distinguished Research Scientists, Collegiate Research Professors, and the full range of disciplines represented by Research Faculty.

Members typically serve three-year terms and attend two meetings per year held in February and April/May to decide on the awards that will be given the next fall.

### Awards covered by this committee:

- Collegiate Research Professorship Award (award established 2004)
- Research Faculty Achievement Award (title change 2004; award established 1996)
- Research Faculty Recognition Award (title change 2004; award established 1996)
